

The JC-Smooth 2016 WCS Practice Round

Format: Modified Two Man Alternate Shot

Rotate two man teams every 6 holes

(Mensa suggestion: 1-6 Cart-mates play together, 7-12 Cart Drivers play together, 13-18 Criss-cross.)

All players hit their own tee shot.

- **On Par 3 holes:** Each player hits their own tee shot. Each pair picks the best result of the tee shot and alternates shots from that point into the hole. (Mensa observation: should just be putting).
- **On Par 4 holes:** Each player hits their own tee shot. Each player hits their second shot. Each pair picks the best result from their second shot and alternates shots from that point into the hole. (Mensa observation: should just be chipping and putting)
- **On Par 5 holes:** Play exactly like Par 4 hole. Each player hits their tee shot. Each player hits their second shot. Each pair picks the best result from their second shot and alternates shots from that point into the hole. (Mensa observation: most of you will have 75-100 yards left to the hole, you must play alternate shot from that point. Fiji observation: some of you will question this format, do it anyway.)

Record the **best score** on each hole for the foursome. (Mensa example: If first pair scores a 5 and the second pair scores a 4, record a 4 as your foursome score).

Five-some: there is one Five-some in the field... we are talking about practice here...Casey and Rod can scramble within their alternate shots. (Mensa - they are effectively one player, so they will each hit their own tee shot and second shot. In alternate shot play, they will both take an alternating shot with their third player and they can take the better of the two shots. (Mensa: The algorithm takes this all into account.)

Bets:

Team Overall Score:	\$10/man
Team Skins: (with pushes)	\$10/man
Low Foursome:	\$10/man
Side bets:	Encouraged

Results: Again, record only one score for your foursome on each hole.

At the end of 18 holes, the JC-Smooth algorithm **GUARANTEES** this match will end in a tie. So have fun, enjoy the cocktails, take some practice swings and tip the cart girl.
